Ramnagar, Haflong, Dist. Dima Hasao, Assam

An Appeal

1 October 2024

Ramakrishna Mission, Haflong is a nascent branch centre of Ramakrishna Mission. This centre is having a Students' Home for the tribal students. The Students' Home shelters 50 tribal students from economically disadvantaged families. To ensure a minimum standard in the arrangement of their food and lodging, medical facilities, coaching classes and cultural training require at least Rs. 4,000/- per month per student. But their parents are unable to pay 50% of this amount also. Our heart aches to see their family condition and cannot charge more; on the other hand, we allow some concessions for some students. Our intention is to make some students totally free from boarding charges and by phases we intend to make it totally free for all the boarders.

May we request our largehearted devotees, well-wishers to take the financial responsibility of one tribal student in any of the following ways or you can donate any amount generously to this fledging centre of the Ramakrishna Mission?

To support a tribal student for a year: Rs. 40,000/- (10 months)

Permanent Fund to support a student: Rs. 5,00,000/- (at the present rate of return)
